

Report number: **24/2018**

Date of issue: **2018-04-17 14:16**

Subject: **Subsidiary obtaining a building permit for Nowa 5 Dzielnica Investment - stage 2.**

Contents of the report:

The Board of Management of Centrum Nowoczesnych Technologii Spółka Akcyjna with its registered office in Sosnowiec (hereinafter referred to as the „Issuer”) hereby announces that on 17 April 2018 the Issuer received information from the Subsidiary, i.e. Centrum Nowoczesnych Technologii Spółka Akcyjna spółka komandytowa (the “Subsidiary”) that on 17 April 2018 the Subsidiary received a decision issued by the Mayor of the City of Kraków on 13 April 2018, approving the construction design and granting a building permit for the construction of a complex of multi-family residential buildings with services, with internal installations and underground car parks together with land development including the necessary technical infrastructure, internal roads, above-ground parking spaces and small architecture on the property located in Krakow in the district of Krowodrza - the acquisition of which was announced by the Issuer in the Current Report No. 40/2016. The decision in question shall become final and binding if the parties to the proceedings fail to lodge an appeal within 14 days of its delivery to the parties and it concerns the buildings with the numbers B1, B2, B3 and B5, constructed as part of the implementation of the second stage of the Nowa 5 Dzielnica investment. The buildings will have 7 overground floors, two-level underground car parks, with a total usable area of about 20 thousand m².

The investment in question is located within the area of validity of the Łobzów local master plan - the area of Łokietka and Wrocławska Streets in Kraków, approved by a resolution of the Kraków City Council of 7 February 2018.

In the Company's opinion, implementation of the second stage of the Nowa 5 Dzielnica investment will significantly affect financial results of future reporting periods of the CNT Capital Group in connection with the development of developer activities run by the Subsidiary.
