Contents of the report:

The Management Board of Centrum Nowoczesnych Technologii S.A., with its registered office in Sosnowiec (the 'Issuer') informs that on 01.12.2020 it received a lawsuit for the payment of PLN 15 million from the District Court in Katowice, 2nd Civil Division, filed by Marcin Dusza and Dawid Kaczmarek, partners in Dawmar spółka z o.o. against the Issuer. The subject of the claim is compensation for bringing the Dawmar company to insolvency in relation to the agreement concluded as part of the public tender announced by Strzeleckie Wodociągi i Kanalizacja sp. z o.o. "Improvement of water and sewage management in the Strzelce Opolskie agglomeration" part 4 - contract 8. The value of the subject matter of the dispute includes the lost profit of Dawmar spółka z o.o. and its partners, the loss of Dawmar's assets and the lost remuneration of its management board members. In the Issuer's opinion, these claims are unjustified in the absence of any grounds for compensation and have not been proved in any way.
